

GENERAL STATEMENT FOR PERSONAL CARE INGREDIENTS

FLOGEL™ FG 1000

- This product does not contain:
 - material which could result in the transmission of Bovine Spongiform Encephalitis (BSE) ;
 - meat, fish, fowl, animal byproducts (including silk or dyes from insects), eggs or egg products, milk or milk products ;
 - ingredients listed in Annex II or III of Regulation (EC) 1223/2009 ;
 - allergens as defined in Regulation (EC) No 1223/2009 on Cosmetics Products and in Regulation (EU) No 1169/2011 on the provision of food information to consumers ;
 - alkylphenol ethoxylates (APEOs), including nonylphenol ethoxylate (NPE), or adsorbable organic halogens (AOX) ;
 - genetically modified organisms and has not been submitted to genetic treatment during manufacture ;
 - 0.1% (w/w) or more of any substance of very high concern (SVHC) listed in the current ECHA candidate list in accordance with Article 33 of Regulation 1907/2006/EC (REACH) ;
 - nanomaterial as defined in Regulation (EC) No 1223/2009, Commission Recommendation of 18 October, 2011 (2011/696/EU) or by any of the individual Member States ;
 - glycol ethers listed in Annex II or III of Regulation (EC) 1223/2009 ;
 - palm oil or its derivatives.
- No animal testing has been conducted on this product. Any toxicological data resulting from tests on laboratory animals appearing in the Safety Data Sheet for this product were obtained from tests performed on analogous substances in products not intended as cosmetic ingredients.
- In compliance with Regulation (EC) No. 1907/2006 (REACH) all substances contained in this product have been registered with the European Chemicals Agency or are exempt from registration. This includes all starting monomers used to produce polymers.
- Preservatives, whenever present, are included in Annex VI of Regulation (EC) 1223/2009.
